Meeting Decision	Mail Recipient
Vendor Concern Tutul vai was present in the meeting. We have discussed on Core readiness of Existing Network for Banglalink Project & New fiber Pulling PO, tutul vai informed that no communication was made from SCM. Also Tutul vai informed that he has full set of pulling team who can be used at any time. Regarding Sabotage Issue at Sirajganj, Tutul vai informed that there is no pending billing issue with Sirajganj previous team. He already form a GD in Sirajganj police station. He will share GD copy & another activities to stop the sabotage issue ASAP. Replacing Normal fiber from Messenger link, Tutul vai shared that PDB pole shifting activity is going on through the messenger link so its not possible to remove the normal fiber now he will remove the fiber at the time of final shifting to newly installed poles.	sabbir.ferdous@summitcommunications.net mollahenterprise.net@gmail.com shabbir.anower@summitcommunications.net mihir.kumar@summitcommunications.net ronorth@summitcommunications.net mahbul.haque@summitcommunications.net
